left with a family home,
moving or downsizing?**

We can help...

**Picker Place Estates
provides full service
liquidation, tag and
moving sales.**

**Complete and Partial
Clean Outs
and Debris Removal**

**We work with everyone:
banks, realtors, lawyers,
and estate executors**

We offer full service sales from small moving and downsizing sales, to complete estate liquidation and tag sales.

All consultations are free and there is no obligation.

All of our sales include:

Assessing your needs and timeline.

Pricing and photographing your items.

Advertising and marketing your sale to attract buyers.

Staging your items for maximum sales results.

Staffing the sale with knowledgeable personnel to secure items and encourage sales.

Each sale is conducted in a highly professional manner and catered to your specific needs.

We sell everything from the smallest items to your antiques, vehicles and RV's.

Our commission and pay schedules are very competitive, and are based on individual services provided and special needs.

After the sale we can assist you with distribution of unsold items and professional clean out services if needed.

Clean Out and Removal Services

We offer partial to complete clean out and removal services for your home or business.

All consultations are free and there is no obligation.

All clean out services include:

Assessing your needs and timeline.

Removal of all items in designated areas or full contents of a residence or business.

We provide professional care while removing items to ensure safety of the home, walls, floors and avoid property damage.

We remove anything from the smallest of items to large debris and vehicles.

Services provided are completed according to your timelines and special requirements.

Our costs or payments are competitive, and based on individual needs and services provided.
